Scope and Content

During The Techwood-Clark Howell, Coca-Cola, Georgia Tech Special Project, members of AHA partnered with the Coca-Cola company or "the Coca-Cola Club" and Georgia Tech with the purpose of making some changes "in both the attitude and image of tenants at Techwood-Clark Howell and the physical improvements in this project." Paul Robertson, President of the Coca-Cola Club, represented a group of Coca-Cola employees who were willing to assist the Atlanta Housing Authority as a community action group. Dr. Warner Heemann, Vice President of Georgia Tech, offered the assistance of Georgia Tech's Students to assist in the neighborhood effort. Georgia Power also contributed to this program.
